

**Program A: Administration****OBJECTIVES AND PERFORMANCE INDICATORS**

Unless otherwise indicated, all objectives are to be accomplished during or by the end of FY 2002-2003. Performance indicators are made up of two parts: name and value. The indicator name describes what is being measured. The indicator value is the numeric value or level achieved within a given measurement period. For budgeting purposes, performance indicators are shown for the prior fiscal year, the current fiscal year, and alternative funding scenarios (continuation budget level and Executive Budget recommendation level) for the ensuing fiscal year of the budget document.

The continuation level performance values shown in the following standard performance tables reflect the agency's continuation level budget request.

The objectives and performance indicators that appear below are associated with program funding in the Base Executive Budget for FY 2002-2003. Specific information on program funding is presented in the financial section.
